

WE NEED YOU

OPT-IN is Orsett CE Primary School's Parent Teacher Association who work hard to provide additional resources for all of the children at our school through enjoyable fund-raising activities. All parents are automatically members of OPT-IN and we very much hope that you will join us at our meetings or support the events that we run.

Our meetings take place on Mondays at 2.00 p.m. in the re-locatable classroom at the back of our school and everyone is very welcome. Some of the parents who attend have young children who they bring to the meeting and happily play whilst we discuss ideas. We are a friendly group and would love to welcome some new faces.

Even if you can't attend our meetings we always need extra pairs of hands when we run an event, so please do let us know via the office if you can help, as it will be greatly appreciated. We send out regular newsletters with dates of our meetings and events that are coming up. You can also find us on Facebook as Orsett Primary PTA. It is a closed group but any parent/carers asking to join will be accepted.

The money that we raise really does help our school buy things that otherwise our children would not have, so it really does make a difference to every child in our school. A large amount of the cost of the school's new sensory garden was paid for by what we have raised as well as the year 6 dictionaries and the year 6 school trip.

As you can see the projects are wide and varied. Without your support these items would not have been purchased by the LA and our children would have gone without!

Thank You
