House winner: **Uriel**

Staff stars of the week: **Mrs Martin & Miss Dow**

Dear Parents,

How quickly this year is flying by... just a few catch-ups...

Summer Fete

We look forward to your support at the summer fete on Saturday 17th June, from 1:30-4:30 (or before and after too, for setting up and tidying away). Once again the children are able to splat the teachers, in the stocks-let's hope the weather is kind to us! I would also like to take this opportunity to thank all of OPT-IN for the hard work they have already put into organising this event, before the day, and the people who have donated anything towards us raising money, from items to events/activities on the day. THANK YOU

Sports Day

This will be run slightly differently this year. All the children will be out for a 9:30 start, on Friday 30th June-weather permitting! We will have seven teams consisting of representatives from each year group and houses, going around a course of activities to win points for their house team. There will be a water stop-so each child has a "rest" and a water break within the morning. ALL families of children will be in the same team, so that you can follow one group around the course, and NOT try and find where each of your children are.

As the children will be rotating around activities we are asking that you follow them around, but along the outside of the track that we set up.

At the end of the activities we will set up flat races, for all the year groups to take part in-this will be on the straight part of the track, and you will be able to sit where you would do normally.

We are hoping it will be completed by 11:30, this gives us enough time for the children to go back into class, have a rest and more water! They will then be escorted out onto the field for our whole school picnic, which of course we are hoping that you will stay for.

All I ask is that you bear with us, with the organisation and timings of this event, as it is new to us too. Remember we are doing this for the enjoyment of the children.☺

Reports

These should be with you on Friday 30th June ☺

Transition morning

Thursday 6th July will be our transition morning for all the children. This is where they will be spending time with their new class teacher for the morning. The staffing lists for next year will be sent out prior to this, once it has been finalised.

Parents evening

This will be on the afternoon/evening of 6th July, and is an opportunity to come in and look around the school at your child's work, and visit your child's new classroom. Teachers will be available within the classrooms, but not for "formal" 1 to 1 interviews. If you feel the need to have a more formal meeting with the class teacher please arrange a time with them after this date.

Yours sincerely

Miss S Jones – Headteacher
