Dear Parents,

What another fantastic year had by all! The time has absolutely flown by, and we have created many memories. I would like to thank: the children, for their enthusiasm of learning and involvement of the extra-curricular activities that the staff put on for them; you as parents (and your extended families) who get so involved supporting your children-I know the children enjoy the times that you come into school to see what they have been learning; the Governors, who have supported me and the school through numerous meetings and discussions to ensure that the school continues to grow, develop and maintain the standards that we are now used to ☺; and of course my staff, who put in numerous amount of hours to ensure that the children are given as many opportunities across the curriculum as it is possible to fit in and beyond a school day. THANK YOU ONE AND ALL! ☺
Whilst on the note of thanks...

Sainsbury's vouchers

We collected 6749 vouchers this year which we have spent on role-play, tabards and road signs for Year R and some discuses for athletics. Thank you for your contributions.

End of Key Stage results

In amongst all the wider curriculum activities that we provide the children, which helps them to become well-rounded with a variety of life skills we are proud to share our end of Key Stage results with you. We do not, as yet, have the Thurrock or National Data for EYFS/KS1 or phonics, so I am unable to share all the comparisons-but there will be an up-date added to our web-site, when the information is shared. (Local Authority and National Data is not validated currently, until all data is collated). Well done to all the children involved and their hard work. ☺

Year 6 Performance

What a GREAT show! It is always a delight to see how far the children have come when we watch their final performance-their confidence is something to be proud of. Thank you too, for the choir who have stepped in and supported the year 6's to pull off a fantastic performance.

And finally...

As we say a final thank you and goodbye to Mrs Wood I would like to wish her well in her new role working part-time in another school.

On behalf of everyone at Orsett I would like to wish our Year 6 children every success for the future. We are proud of what you have achieved.
