Wagamama – Thursday the 2nd November 2017

Dear Parents,

As part of our theme 'Food Around the World', we have arranged a visit to Wagamama in Lakeside. They are inviting us to take part in a fun packed morning with them. The children will get to learn about the food they serve, its nutritional value and about the environment they work in. At the end of the visit the children will be served the delicious food (which they have helped to prepare). The pupils will be supervised by experienced members of staff and, of course, teachers and parents are welcome.

We would like to keep this trip free by asking for your support in transporting the children to lakeside then back to school. We would like you to meet us outside Wagamama at Lakeside by 8:45am in time for a 9:00am start. The session should be finished by 11.00, so we will be back in school as normal for lunch.

If you are able to take multiple children from school to the restaurant, please let us know so that we can arrange transport for other children. If your child is going to be transported by others, make sure you have provided the appropriate car seats for legal transport. Parents offering to transport other children please be aware we will need to have a photocopy of your certificate of insurance and MOT before the day of the trip.

Wagamama do ask for parent volunteers, but cannot cater for all the parents transporting in the restaurant. Therefore, if you are not selected this time to help there are several restaurants in the Lakeside that offer coffee or breakfasts!

Once again, we thank you for all your support.

Yours faithfully
Mrs Lucas
