

Year 6 Residential 2019

Friday 6th October 2017

Dear Parents,

Firstly, let me apologise for writing to you about this, before your children have already been on their year 5 two day residential. However, in this day and age it seems that residentials are taking bookings already for 2019. This means we are expected to pay a deposit to reserve a place. We are NOT expecting you to pay any deposits until the end of year 5, if it goes ahead.

We were looking into changing the venue for the year 6 residential and have looked into different options. Therefore, I am offering potential options. Please see below for options that we have and tick the relevant boxes. You may make more than one choice if there is not a particular preference.

Please remember that these costings are estimates, but we are not envisaging them increasing by anything more than £20. It is also dependant on how many children attend the residential. We have calculated all costs on the current 29 children we have in class.

A decision will be made on:

- 1) That the majority of children will be attending the residential-if there are less than 20 replies nothing will be booked and we will not be able to guarantee a venue for 2019 or a choice.
- 2) The majority vote of one venue

Yours sincerely

Miss S Jones
Headteacher

PLEASE RETURN THE SLIP BELOW BY MONDAY 9TH OCTOBER
