

NEWSLETTER 7-November 2017

Dear Parents,

Our New Parent Open Afternoon was well received, and it was lovely to get some positive comments/feedback from the Orsett page forum. A BIG well done for all the year 6 who were involved, especially those who completed presentations and showed the parents around-they did us proud! 😊

Shoe box appeal

Thank you to the families who supported our school at Church for this service. Thank you too for the additional shoeboxes that have also come into school. It helps the children to understand that we can support others beyond our local community, and shows them how important it is to share our Christian and British values, by supporting others.

Parent Assessment meeting

Thank you to all who attended the meeting to explain our new assessment, although it is not particularly different I am sure that you agree it helps to hear what changes there are. If you were unable to attend the meeting I have put the presentation on the website, on the "parents info" page. If you need further clarification please ask, although I would request that you do not do this on parents evening, as this will take away the time that the teacher talks to you about your child.

Class 4 assembly

Well done to Class 4 and their assembly, it was amazing to see how much the children had learnt in just two weeks! Thank you for all the parents and families who attended (it was lovely to see you all), as you know, this makes a big difference to how the children perform.

Parents Evening

We look forward to seeing you tomorrow for the parents evening. Please may I remind you that if you need to bring the children they need to stay with you at all times. The classrooms are for looking at the children's books or work on display, not for playing in during these sessions. Thank you for your support.
