

NEWSLETTER 8-November 2017

Dear Parents,

Thank you for your support, in several ways over the last few weeks...

PACT sessions

Class R parents had the opportunity to come into class to see how their children learnt in school. We hope you found this useful. These sessions are offered out to the rest of the school next term.

World Diabetes Day

Thank you to all who donated their £1 to support this cause. We raised £90 in total.

Parents Evening

It was lovely to see so many of you, and an additional thanks for keeping the children with you as requested last time-it was much appreciated. If you were unable to attend then you should have been offered another appointment, this is so that the targets and attainment for your child can be shared with you. Please try and keep these appointments.

Thank you for being understanding about Miss Dow being off sick. We have rearranged for today. If you cannot make the appointment can you please speak to Miss Dow.

Questionnaires

Thank you for the great response to the questionnaires shared at the parents evening. Once the analysis has been completed the outcomes will be shared with you.

Parking

Once again, it seems that parking is an issue, although when the traffic wardens are about parents are still able to collect their children on time-and safely-therefore there is parking somewhere!
Please can I remind you that you SHOULD NOT be parking (or stopping) on double yellow lines, and as for parking with two wheel on the pavement we are waiting for an accident to happen!
I appreciate that parking is difficult, but we have shared with you, on several occasions, of the many options that you have. Please use these options. Please consider YOUR CHILDREN'S safety.
Unfortunately, we are unable to enforce anything from the school so I suggest that if ANYONE has an issue about other people's parking to please contact the Council and Highways. The more complaints they receive the more support they will give us to help keep the outside of our school safe.
THANK YOU FOR YOUR SUPPORT IN THIS.

Teddy Bears sleepover

It was lovely to see all the teddy bears for the sleepover tonight-they will be kept safe. The money raised will support the many homeless people across the County, and of course it develops the children's understanding of their Christian values, which links particularly well to our current one of *GENEROSITY*. The teddies can be collected tomorrow. ☺

Christingle Service

This is on Sunday 3rd December @ 4pm. Please join us, as the children have been invited to sing. A letter will follow.

Yours sincerely

Miss S Jones – Headteacher

PS Growth Mindset thought...

When you talk, you are only repeating what you already know. When you listen, you may learn something new.
Dalai Lama
