

Educational Science Workshop – Year 1 and 2.

Dear Parents,

As a part of our school's aim to enrich the curriculum for our children by providing additional experiences which will enhance their learning, we are currently arranging a Science Education workshop. This is a wonderful opportunity for your child to experience science through exciting role-play. The facilitator is in role as an eccentric scientist, and the children have to show their knowledge and enthusiasm about science, and pass tasks; such as outwitting a disgruntled monster to save the Exploratorium science machine from imploding!

This is to take place on **Wednesday 29th November** and would involve Year 1 and 2.

In order for this to take place we would be asking for a voluntary contribution towards the costs from parents of **£3.95**.

As a school we are able to support children who are in receipt of Free School Meals and/or in hardship and in these cases please do go in and meet Miss Jones who will explain this further (all conversations will be confidential).

In order to ascertain the viability of the activity before we finalise the arrangements with the company, we would ask that you complete the slip below and return in by **Monday 27th October**.

Obviously, if we do not have enough positive responses regarding both taking part and being prepared to contribute the activity will not go ahead. If the event does not go ahead you will be refunded your money.

Yours sincerely

Ms Gosling– Class 1 teacher
Mrs Olajide – Class 2 teacher

Educational Science Workshop - Year 1 and 2

WEDNESDAY 29TH NOVEMBER 2017

Name of child	Class
<i>Please tick as appropriate</i>
