

PARENTS AND CHILDREN TOGETHER SESSIONS-class 2
(PACT Sessions)

Dear Parents

Here at Orsett we continue to be committed to encouraging parents into our school as we believe that it is only by fostering strong home/school relationships that our children will really flourish.

Therefore, we would like to invite you to join your child on one of our 'Parent and Children Together' Sessions (PACT Sessions). The aim is to offer everyone the chance to spend part of a morning session in school with your child so that you can experience first-hand some of the things that your child does during the day with us.

Below are the dates and times of the PACT Sessions that we are offering and we would be grateful if you could complete the form and return it to your child's class teacher by **Monday, January 15th** so that we can arrange the sessions.

Our intention is to ensure that we don't have too many parents in at any one time as this will not give you a realistic view of life at Orsett and will probably mean the children don't respond in their usual way with us. Therefore, we would ask that you tick as many PACT Sessions as you are able to attend so that we can then try to spread the number of parents in at any one time.

If anyone has any questions about the PACT Sessions please do not hesitate to ask your child's class teacher or myself.

Yours sincerely

Miss S Jones – Headteacher
