Dear Parents,

I cannot believe it is almost half term already!

Class 5 assembly

Thank you to all the families who came and supported their children in watching their class assembly-who knew that it would be so active, and interactive? ☺ Well done to the children for their enthusiasm and hard work, and of course the staff for encouraging them to become independent learners.

Sue's School wear

- Have been providing schools with ECO friendly uniform for the last six years
- Have saved 121,615 plastic bottles from going into landfill last year alone
- The length of plastic bottles saved by Sue's Schoolwear, when put in a line would: surround Wembley stadium 37 times, climb the shard over 123 times, travel from Grays to the London Eye.

It is good to see how everyone is doing their bit to help the environment. ☺ Sue's school wear will be at school on 19th February, from 3pm, if you wish to buy any uniform.

OPT-IN

New tickets have been purchased for Adventure Island, and can be bought at a reduced price. Please see Mrs Belton for more details. A raffle will be held after half term for some family passes. Please keep a watch out in the children's book bags.

British Telecom Mast

It has been brought to my attention that a mast will be going up next to the school, in the BT grounds. However, the school did not know of this!

Save the dates!

21st March-ISING POP-big event at the Civic hall. All the children will be involved in this ☺

11th May-OPT-IN bingo night

16th June-Summer Fete

Have a safe and happy half term (when it arrives!). We look forward to seeing everyone returning on Monday 19th February.

Yours sincerely
