Dear Parents,

Welcome back to the summer term-I am sure that we are all looking forward to some warm weather; it has to come at some point! ☺ It was lovely to see all the children looking smart in their uniforms and raring to go.

Once again I have attached this term's diary dates for you-**see reverse**. Please note that there are some changes and new dates.

You will also be receiving next year's school dates, with this newsletter-remember that although there will be two weeks for the October half term the children will be getting additional teaching time as the afternoon sessions will be starting at 1:05pm, rather than 1:15pm. This more than makes up the number of hours the children would have in the week. What we are hoping is that the children are healthier for it and there will be less absence! ☺

Easter Service

Thank you all who attended the Easter Service and made it up to the school, in the rain! Well done to the children for coping with the quick change of venue, especially the Year 6 readers. A Special thanks to Rev'd Sue Mann, who came away from a Dioecian event early in order to lead our service. ☺

Police Dog Handler

On Friday we are lucky enough to have a Police Dog Handler in school, leading our assembly, who is training a police dog called Maverick. This has been set up through a link with one of the parents and is a great opportunity for the children to learn about some of the training that the police dogs go through.

If anyone else has any contacts that would be good links with the community we are happy to share these experiences with the children please let me know, hopefully we may be able to arrange other links for the children.

PACT sessions

Apologies for the short turnaround with the letters, which you should have received yesterday, the time just crept up on us. We hope you are able to make at least one session to see what the children do either in LOTs or PE-you may be asked to join in! ☺

Finally

Remember the cashless system goes live next Monday (23rd April) make sure you sign in and set up your account when you get the final details.

Yours sincerely

Miss S Jones – Headteacher

An apt mindset thought, in light of setting up the cashless system: Every accomplishment starts with the decision to try.
