

23rd March 2018

Dear Parents,

As you know, we sent out a letter regarding interest for an overnight adventure for the year 4 children, in preparation for them spending additional nights away from home on the residential trips that we offer in year 5 and 6.

I am pleased to say that the majority of the children were interested in this experience, the date for this: **Friday 27th April.**

The children will be expected to return to school at **5:00pm**. They will need to be in some warm pyjamas or a onesie, with a hoodie/coat, and trainers. A sleeping bag and small pillow will also be needed. The children may also bring along their favourite teddy to help them sleep (we can live in hope☺).

The children will be involved in a range of activities throughout the evening, including making their own dinner! In the morning the children will have a cereal snack, before they are picked up at **9:30 am**.

For additional reassurance we have a number of members of staff participating in this event, beyond the allocated numbers that would be needed on any other overnight stay. The children will also be sleeping in the hall-away from the front of the building.

We are only asking for £6 per child for this adventure, to cover the cost of food and resources.

Please return the slip below by **28th March 2018**

Many thanks
