Year 6 - TREAT DAY

Dear parents,

The children in Year 6 have earned themselves a treat by filling their sweet jar with 30 sweets. They get these rewards for working hard and doing really well in class and assemblies, etc. After voting, we have decided this will take the form of a fun day on Friday 18th May.

Their choice has been to bring in electronic games (hand held only please such as DS3) to play with. Unfortunately, this does NOT mean phones or games which need a mains plug. Otherwise they may bring in a board game to play in class.

Games are the responsibility of the children and must be looked after carefully. Although the children will be supervised **we will take no responsibility for lost or broken games.**

We will also have the hall (and playground, weather permitting) for a variety of sports activities. The children will change into PE kits after lunch and come home in them at the end of the day. Dirty kits too!

No food please, as many of them will be doing the sporting session as well and we are sure that there will be some SATs-breakfast leftovers.

Many thanks for your support,

Mrs Richardson
