

Headteacher: Miss S Jones

Dear Parents

I am pleased to inform you that your child, as part of the P.E curriculum and our commitment to supporting children's independences, taking on challenges and developing their physical skills, we have been able to arrange an outdoor day at Stubbers Adventure Centre in Upminster.

The day will take place on **Thursday 20th September** and will include a number of exciting outdoor adventurous activities including team challenges, tunnelling, high ropes course and water activities (kata kanu). The children will take part in four activities and each activity will last for 90 minutes and will give the children an opportunity to challenge themselves to try something new as well.

Due to the school receiving the Sports Premium Grant, there will be **no cost** to parents and all children in Key Stage 2 will take part. They will be accompanied by school staff and all activities will be lead by qualified leaders from the Activity Centre.

We will be leaving school by coach at 8:30am and the children will return to school at 5:15pm (depending on traffic). Further details regarding times to arrive at school, a kit list and any other requirements will be sent to you early in the new school year.

In order to ensure all arrangements can be made, please complete the slip below indicating your permission for your child to take part. Thank you for your support. If you have any questions please do not hesitate to contact me.

Yours sincerely

Mr D. Partridge

Stubbers Activity Centre-Thursday 20th September 2018

Name of child		Class	
			<i>Please tick as appropriate</i>
I give permission for my child to take part in this activity.
