

## CLUBS Autumn 2018

Dear Parents

As you know, we believe that extra-curricular activities really do give children the opportunity to discover other areas of interest as well as the opportunity to improve skills further and it is by aiming to provide a wide variety of clubs that we can further enrich your child's education.

This term, there will be **12** clubs (including those from outside providers), which offer a wide variety of choice – hopefully something for every child! All clubs (unless otherwise stated) will begin during the week beginning **Monday 24<sup>th</sup> September 2018** and will finish the week ending **Friday 7<sup>th</sup> December 2018**.

**Please note: We are starting a week later than planned due to the staff and children attending the Stubbers Activity Days, for KS2, during the week beginning 17<sup>th</sup> September.**

If for any reason a member of staff has to cancel a club we will aim to inform you as soon as is possible by text- outdoor clubs will be accommodated indoors where possible, if the weather is bad.

The majority of clubs are run by our staff who are giving up their own valuable time voluntarily and I would like to thank them for their commitment and enthusiasm.

**Tekspeller Soccer** will, once again, run a school football programme for **all** year groups after school on Thursdays. This club will need to be paid for and details as well as separate registration forms will be sent out once we have them.

⇒ Clubs that are run before school will run from **8:00am to 8:40am** and after school clubs will run from **3:30 p.m. to 4:15 p.m. There are now no lunchtime clubs due to the shortened lunch break.**

Any children who attend the clubs are expected to attend on a regular basis as often the teachers will have planned specifically for the number of children attending. In some cases we will have to limit the numbers due to the number of computers available. If any child regularly fails to turn up to a club (without a reasonable excuse) the teacher running the club will then replace this child with another on a waiting list.

All after school clubs will finish **promptly at 4:15 p.m.** and we would ask that parents are ready to take their children home at that time as often staff has other meetings or commitments that they have to attend after this time. We are also unable to supervise siblings who are not attending the clubs and therefore any siblings must be collected at the end of the school day.

Overleaf is a list of the clubs available this term together with the name of the member(s) of staff running the club, the Year Groups able to take part and the maximum number of children that can take part at any one time.

Once again this term, clubs will need to be booked online. This process makes booking your child's places for clubs much quicker and simpler to organise.

**The booking will open on Monday 17th September and close on Friday 21st September.**

The system enables you to log in and book clubs at a time to suit you. Each club has a limited number of spaces and the online booking system only allows the number of children permitted to be booked in. You will therefore receive immediate confirmation of your child's place and will not need to wait for a reply slip from the school. The booking system is accessible via all modern devices including phones, tablets, laptops and desktop computers just visit [www.clubsforschools.org](http://www.clubsforschools.org)

Yours sincerely

Miss S Jones – Headteacher

## Clubs Timetable

Day	Time	Club – Location	Staff involved	Year groups	Max number	Total Cost
Mon	3:15	<b>Choir</b> – Class 4	Mrs Olajide	3-6	25	Free
