Football Team

Dear Class 6 boys,

This year we will be running the school football team slightly differently. I will be overseeing the team and Mr Jones (a coach from Clubs for Schools) will be coaching the team and organising matches etc. We are hoping to ensure we play all our matches within the league this year and hopefully win!

We will be holding trials for the squad on Thursday 20th September 3:15pm – 4:15pm. We will then select a squad from this trial who will represent the school in all matches within the league and any other tournaments throughout the year.

It is expected that the boys selected for the squad attend training each week after school on Thursdays from 3:15pm to 4:15pm. Most matches will also take place on a Thursday after school.

If you would like to try out for the squad please attend the trials on Thursday 20th September.

If you have any questions please come and ask me!

Good luck!

Mr Partridge
