

Dear Parents

Please find enclosed in your children's bags, some flash cards of the sound they have been learning this week. I have made these flash cards for you in the hope that you could run through these each day along with their reading.

Working together at home and in school, practising these sounds, I am hoping that it will help your children to retain the sounds easier. This will help them in their reading and writing and will also keep your children on track to reach their targets.

If you could note down in the orange books that you have done these each day, it would be a great help; and please note that the flash cards will be changed each Friday after the children have learnt the new sounds for that week.

The flash cards will need to be back in their books, so that we can swap them over for new ones.

Just a little reminder if you are not sure of the letter sounds, please look at the link below which will remind you of them, so you can help your children as best you can.

I would like to thank you all for your support with your children's learning - it really does make a difference. If anyone has any questions as to how to help your child, please do not hesitate to get in touch with me at the earliest opportunity.

Yours sincerely

Mr Foster
