Uriel

Inter-House competition

Each class completed a cross-country circuit (age-related) to win additional points for their Houses. The results were... 4th-Uriel, 3rd-Michael, 2nd Raphael, 1st-Gabriel. Well done everyone 😊

Nearly New Sale

There is a nearly new sale in school on Saturday 24th November. See the information on the reverse of this newsletter. Please use the driveway gate to enter the school and the back door for entry. All proceeds will be going back to the children in school.

Parents Evening

It was lovely to see so many parents at parents evening-thank you for those who completed the questionnaire. If you have not received a questionnaire please ask in the office, or go on line to download one to complete. Please remember that if you have any particular issues you will need to put your name on it so that I am able to respond appropriately. It is very difficult to rectify situations if there are no names attached. All questionnaires need to be in by Friday 23rd, to be counted. Thank you for your support.

Inter-school competitions

Well done to our year 3&4 representatives for the inter schools cross-country and good luck to our year 5&6 representatives on Friday. Also, a well done to the football team who managed a draw in their game last week.

Technology afternoon

We are looking forward to sharing with you some of the technology the children use in school and the skills that they are taught in order to stay safe, on Thursday, from 2:15pm.

Yours sincerely

Miss S Jones – Headteacher

PS ...

If you have good thoughts they will shine out of your face like sunbeams and you will always look lovely. Roald Dahl
