

PARENTS AND CHILDREN TOGETHER SESSIONS-class 6
(PACT Sessions)

Dear Parents

Here at Orsett we continue to be committed to encouraging parents into our school as we believe that it is only by fostering strong home/school relationships that our children will really flourish.

This term we are running our 'Parent and Children Together' Sessions (PACT Sessions) slightly differently. We would like to invite you to be part of our curriculum week. The aim is to offer everyone the chance to spend part of a session in school with your child so that you can experience first-hand some of the things that your child does during the day with us. This will include workshops available throughout the week.

Below are the dates and times of the PACT Sessions that we are offering and we would be grateful if you could complete the form and return it to your child's class teacher by **Tuesday 28th January** so that we can arrange the sessions.

UNFORTUNATELY, WE ARE UNABLE TO ACCOMMODATE SIBLINGS NOT IN THE SCHOOL.

Our intention is to ensure that we don't have too many parents in at any one time as this will disrupt the workshops. Therefore, we would ask that you tick as many PACT Sessions as you are able to attend so that we can then try to spread the number of parents in at any one time.

Hopefully, there will also be a rocket launch approximately at 3:00pm, to which you are all invited to!

If anyone has any questions about the PACT Sessions please do not hesitate to ask your child's class teacher or myself.

Yours sincerely

Miss S Jones – Headteacher

Name of child:			
Date:	Activity	Time:	Please tick as many as you can do-you will be given at least one slot
