

### In the event of closure – Class R

Daily practise	
Reading	Read at least 5 times each week (Remember to have your reading record signed) Practise Diagraphs flashcards before reading with your child.
Writing	Practice handwriting letters A-Z. To encourage writing ask your child to keep a diary, write a story or write about the holidays. Remind them to use a capital letter, full stop and finger spaces. We always give time during the week for your child to read what they have written.
Mathematics	Practise numbers to 20 and above, then count forwards and backwards from any number (Remember you can start at any number – 12 or 18 etc)

**Your child has been provided with a work book to present all their work. Please encourage your child to attempt the above learning tasks daily and complete at least one of the tasks below each day (including websites)**
