Whilst we said a virtual farewell to Mrs Wignall, Mrs Rayner, Mrs McCandless, Mrs Fish and Mrs Reynolds, we will arrange a date in September, for them to visit, so all can say a real farewell!

P.T.O

Transition

We have a few zoom meetings that we are inviting everyone to, over the next few weeks. The first being on **Wednesday 8th July @ 10am**, which is a planned leavers service, from the Diocese-some of our year 6's will be featuring in one of the songs. A link will be added to the school dojo when we have it. The children in school will be watching it.

We will be having a whole school leaver's zoom on **Thursday 16th July @ 10am**, when we will be saying a virtual farewell to our current year 6 class. Once again, they will be invited back for a leaving BBQ in the Autumn term, when it is safe to do so.

Staff, this year have decided to leave their "farewells" to their current class until we return in September, where they will meet with the children in their new classrooms, before passing them over to the "new" teacher.

We will not be introducing our EYFS class until the following week, so Mr Foster will be able to spend two days with the current year R's, in year 1 with Mrs Wood and Mrs Lucas.

FOUND: on Thursday morning, last week, money was found on the school playground. If you think you lost some, please come to the school office.

There will be a final letter next week with what we hope to be final updates on the September return. However, as it stands, we CAN expect:

- ALL children will be returning in September
- That school uniform will be worn
- You will need to call the office for any questions, rather than just coming to the front office, without an appointment.
- The school term, for years 1-6, will begin on Thursday 3rd September

Yours sincerely

Headteacher
