

In the event of closure

Daily practise	
Reading	Read at least 5 times each week for 15mins to an adult. Although in Year 6 we have some very confident, free readers who are now independent, they must be able to understand what has been read and be able to discuss it, so ask questions about the books they are reading to check their understanding. Using inference and deduction are important skills for our children to learn. Use some of the example questions that have been given to you.
Writing	Practice words from the Y6 spelling list. Visit the Spelling Shed. Learn the Yr5/6 grammatical terms – given during Parents Workshop
Mathematics	Practice multiplication on time tables Rockstars. Download Factors and Multiples puzzle from nRich https://nrich.maths.org/factorpuzzle Can you solve the problem?

Your child has been provided with a work book to present all their work. Please encourage your child to attempt the above learning tasks daily and complete at least one of the tasks below each day (including websites)

Write a book review on one book you read. Include the following features: Description of the characters What happened in the story? How can it be improved? Who will you recommend it to?	Paint a picture of something you can see through the window – <i>This will create a huge display when we return to school</i>	Select a recipe for 4 people. Change the recipe to make enough for 24 people. Use the internet to find out the price per ingredient. How much will you need? Do you need more than one packet? What will be the price per head? What percentage of the whole recipe is each ingredient? Choose a recipe using imperial measures. Can you convert them to metric? Can you scale up the recipe for 20 people?	Write a sketch for our Leaver's Service
Can you work out the area of each downstairs room in your house? Do you think the area of upstairs will be the same as downstairs? Now choose one room. Can you work out the cost to redecorate the room? How much carpet will you need? What size curtains will you need? How much paint will you need?	Who is the tallest person in your family? Who is the shortest? What is the average height of the people in your family? What is the average age of your family?	ONLINE HELP: MATHS: www.bbc.co.uk/bitesize/subjects/z826n39 has lots of guides to help you. SPAG: www.bbc.co.uk/bitesize/topics/zwwp8mn (grammar) www.bbc.co.uk/bitesize/topics/zvwwxnb (punctuation) SCIENCE: www.bbc.co.uk/bitesize/topics/zrfr82/articles/zppvv4j PE: Joe Wicks Workouts www.youtube.com/watch?v=d3LPrhI0v-w Other resources or interactive games: www.twinkl.co.uk www.topmarks.co.uk ART: Use Youtube videos to continue with sketching	CGP BOOKS If you have ordered the CGP papers now is the perfect time to do some work with them.
<p>Create your own exercise session to last 20 minutes? Which bits of the session do you think will raise your heart rate the most? In order to exercise safely, your session should start and finish gently with the maximum heart rate in the middle of the session. Do you need to make any changes? Ask a parent to take part in your exercise session and take their heart rate at different stages. What is the same and different about your heart rates and your parent's during your exercise session?</p>			

Yours sincerely,
Mrs L Olajide
