

Friday 3rd December 2021

Monday wasn't quite what I was expecting it to be once I took a phnccall at 11.15am informing me that the school would be welcoming Ofsetd the next day. My weekly plans changed very quickly!

It will take a few weeks to receive our final report and I look forward to sharing it with you when it arrives. It has to go through many people and processes before it is finalised. This will most likely be in January now due to the Christmas period. Thank you for your messages of support this week – I know they meant a lot to staff.

Thursday, Orsett PTA held a Christmas gift sale for the children. Thank you to everyone who contributed. The children really enjoyed shopping! Thank you to our PTA for another great event which the children really enjoyed. The money raised will be used to purchase resources to support the children and your contributions are always very much appreciated.

Reception and KS1 are practising hard for next week's nativities. They haven't been able to rehearse for the last two days so they will be cramming in their rehearsals at the end of this week. Tickets will be given out on Tuesday next week.

More information about Carols by candlelight will be sent home to KS2 on Monday.

Please remember that all clubs run by school staff finished this week including football. New clubs will start in January. Clubs will have to change due to the darker weather setting in. Netball club and football struggle after four now due to the dark nights!

Have a lovely weekend.

Christmas has arrived!

On Wednesday after our inspection the staff stayed and decorated the school with lots of decorations. It really has bought a special feel to the school. The children helped to decorate their own classrooms yesterday afternoon. It was lovely to see the children's faces light up when they arrived yesterday. The photo below doesn't do it justice!

The staff are enjoying hearing all about the children's naughty elves too!
