

Friday 18<sup>th</sup> March 2022

Today we have been raising money for Red Nose day. It's been another lovely day – we've had quite a few recently which I hope the children are enjoying! It's really allowed the children to flourish and shine and express their uniqueness – everything that our vision states.

Today we had lots of people dressed in red and as superheroes. We also talked about how super heroes don't have to wear capes. George in Year 4 told me that he had come as his brother because his brother is his superhero! My mum came in today and while I didn't dress as her I introduced her to the children as my superhero!

This afternoon our winners from the joke competition shared their jokes in worship. We are making a video of all our jokes over this weekend where the winners will take a starring role. We will share it with you very soon. Red Nose day is all about laughing and we certainly did this in worship today!

Thank you to all of you who donated cakes. We haven't tallied up how much we have made yet but we will let you know very soon! Well done and thank you in advance!

Today you should have received your child's report. We hope that you find them informative and they help to give you a better picture of your child's successes and areas for development. If you do have any questions we would ask that you bring them with you to parents evening where staff will be happy to answer.

Have a great weekend. Stay safe!

### Uniform

Just a few quick reminders about Uniform. We've seen a few children not always wearing the correct uniform – please help us keep super smart please.

- \* Everyone should have a tie on every day (except when wearing PE kit)
- \*Black shoes – no trainers
- \*Hair tied back please if longer than shoulder length
- \*Ensure PE kit jumpers are plain black please.
- \*Silver or gold studs only

### Parent's Evening

We are looking forward to seeing many of you on Wednesday for Parents Evening. This will be our first time being back in school! Things will be slightly different this year.

KS1 teachers will be in the hall as usual. Years 3-6 teachers will remain in their classrooms. The children's books will be in their trays outside the classrooms for you to look at before or after your appointment.

This continues to spread everyone out a little. Please do ensure you are on time for your appointments – Thank you!
